

**QUICK START GUIDE**

# Linea Pro® 7i

Linea Pro 7i Pistol Grip for iPhone® 7/8

## Getting Started

### Assemble your pistol grip

1. Gently insert the Linea Pro 7i into the silicone sleeve provided.
2. Ensure the sleeve is installed and aligned correctly with the scanner, scan buttons, and the metal contact area on the back of the Linea Pro 7i.
3. Insert the bottom end of the unit into the pistol grip first, and then push the rest of the unit firmly into place.
4. Ensure the silicone sleeve is tucked neatly into the pistol grip casing.

## Programmable options

Enable scan button	Before scanning enable the Scan button option in the Software Developers Kit (SDK).
Change current	Ensure the charge current setting on the Linea Pro 7i is set to 500mA.
Scan modes	Single scan – press and release the Scan button. Multi-scan – press and hold the Scan button.
	Motion detect – activates scanner automatically when a barcode is placed near the barcode engine.
	Multi-scan without duplicates may be enabled.

### Use your pistol grip

1. Press the pistol grip trigger to activate the scanner.
  2. Position the scan head near the center of a barcode.
- Note** –The pistol grip pointer must extend outside of the edges of the barcode.
3. Slowly pull the unit backwards increasing the distance between the barcode and the scan head until the scanner reads the entire barcode.
- Note** –When the pistol grip is charging, the scanner operation is disabled.

## Charge your pistol grip

We recommend charging your pistol grip with a charging station. Refer to the product documentation provided with your charging station for proper instruction on charging.

## Troubleshooting

Barcode scanner does not turn on.

- Pistol grip is not connected to the Linea Pro 7i.
- Unit is not connected to the iOS device.
- Scan button is not enabled in the SDK.
- Pistol grip battery is depleted.

Pistol grip is not charging the iOS device or the unit.

- Battery power switch is not turned On.
- Pistol grip battery is too low to charge the iPhone.

## Warnings & Cautions

- This device is intended for indoor use only. Keep away from direct sunlight and rain.
- To prevent risk of shock or damage, do not use while wet or while located directly next to water sources.
- Avoid exposing the unit to excessive heat. Keep the device away from heat radiating equipment, open flame, and so on.
- Do not clean the unit with caustic chemicals or oils.
- Do not use the unit near electrical appliances or during electrical storms.
- Do not attempt to open the unit. Attempting to disassemble the renders it unusable and may impact your warranty.

To request a RMA

1. Create a user account in the RMA Support Portal at <http://ipcmobile.com/support/rma/>
2. Login to your user account, and then click Create RMA Request.
3. Read the instructions provided and complete the online request form.
4. Note the assigned RMA number and write it clearly on your shipping carton.
5. Ship your equipment to us using the address provided.

## Warranty

Infinite Peripherals does not warrant, and is not responsible for, any damage to the Linea Pro 7i Pistol Grip ("Product") as a result of liquid or solid particle intrusion into the Product or damage caused by dropping the Product. If a material or workmanship defect arises with regard to any Infinite Peripherals product, and a valid claim is received within the Warranty Period, Infinite Peripherals (at Infinite Peripherals' sole discretion) will (1) repair the Product using new or refurbished parts, or (2) replace the Product with a new or refurbished Product. For purposes of this limited warranty, "refurbished" means a product or part that has been substantially returned to its original specifications. In the event of a defect, these are your exclusive remedies.

**Note** — Box contents and part numbers may vary based on your order configuration.
