

Infinea Tab Lite

For iPhone 6 Plus, 6s Plus, 7 Plus, and 8 Plus

A tried and true point-of-sale device designed to fit in your pocket

The Infinea Tab Lite is the latest evolution of mobile point-of-sale on an iOS platform. Completely redesigned for ultra-portability and usability, this device is used for Otterbox uniVERSE iPhone case and works seamlessly with a variety of iPhones.

Process Payments

Infinea Tab Lite transforms an iPhone into a user-friendly point-of-sale terminal. Features magnetic stripe reading (MSR) and NFC contactless payment capabilities. EMV certified and supports all major card brands.

Slim, Lightweight, and Portable

The device is compact and perfect for enterprise mobility. Ideal for on the go usage, device remains protected with Otterbox durability. Infinea Tab Lite able to withstand a 4ft drop test.

Device Flexibility

The Infinea Tab Lite for Otterbox uniVERSE iPhone case fits a variety of iPhones. As a detachable peripheral, the device transforms the iPhone 6 Plus, 6s Plus, 7 Plus, and 8 Plus into a portable point-of-sale solution.

Pass Through Charging

This point-of-sale device has direct, reliable connection to iPhone via Lightning™. Charges iPhone and POS simultaneously with female Lightning™ input.

Otterbox uniVERSE Compatibility

Infinea Tab Lite is an attachable point-of-sale solution for both standard and plus-sized Otterbox uniVERSE cases. With direct Lightning™ connection, the POS will work seamlessly with future generations of uniVERSE iPhone cases.

Ease of Use

This device is simple and reliable. Infinea Tab Lite does not involve extensive training and can be easily attached to adapt to different devices/cases. Familiarity of iOS platform allows users to use the device for a flexible workflow.
