

Linea Pro 7 Plus

Available for Apple iPhone® 7/8 Plus

Mobilize Your Enterprise®

A **quick, reliable**, scanning device for taking business on the go

The Linea Pro 7 Plus is a durable, compact device designed specifically for the iPhone 7 Plus and the iPhone 8 Plus. With multi-purpose scanning capabilities and hot-swappable battery feature, this device is suited for any fast-paced enterprise and can keep your business mobile around the clock.

High-Speed Handheld Scanner:

1D/2D multi-purpose barcode scanner allows businesses to manage inventory and quickly process receipts. The Linea Pro 7i scanner rapidly scans barcodes and can process up to 16,850 scans on a full battery charge (up to 26 hours).

Durable and Compact:

This device is easy to hold and lightweight, with an optional customizable case and hand strap. The case features an IP55 rating to protect iPhone against dust and moisture. It also features a hot-swappable battery to keep the device operating for long periods of time.

Connect and Monitor:

The Linea Pro 7 Plus comes with Bluetooth compatibility options so you can stay connected to your other business devices. It can also come with contactless RFID capabilities to facilitate rapid wireless communication and processing.

Optimization Tools:

This device is well-suited for business and inventory. High-speed processing functions equips the Linea Pro 7 Plus to keep up with fast paced business operations. It comes with the ability to process data in real time with advanced scanning capabilities. Save money and time by monitoring all aspects of your business including time and attendance, delivery receipts, and inventory levels.

Comprehensive Software:

This device is compatible with a range of software platforms and offers a variety of software tools. Features a SDK so you can integrate existing platforms without difficulty. The Linea Pro 7 Plus simplifies the software integration process.

Safe and Secure:

Mobilize your operations with a device you can trust. The Linea Pro 7 Plus comes with FCC, CE, and RoHS certifications.
