

# Omni One Scan & Payment

for iPad Air 2, iPad Pro 9.7, and iPad 5th Generation

## A Mobile Enterprise Work Station

Customize the in-store experience with iPad. The Omni One Scan & Payment transforms your iPad into an enterprise payment and scanning solution. With a 1D/2D high-speed barcode scanner and integrated card reader, the Omni One Scan & Payment is the perfect solution for a personalized in-store experience.

### Customized Experience

Expand the possibilities of your in-store workflow. With increased flexibility, Omni One Scan & Payment offers possibilities such as price checking, point-of-sale, sign up & check-in, and endless aisle.

### High-Speed Barcode Scanner

The Omni One Scan & Payment features a 1D/2D integrated barcode scanner. The high-speed scanning capabilities can be read in any direction.

### Versatile Payment Options

Transform your iPad into an enterprise point-of-sale terminal with an integrated Magnetic Stripe Reader (MSR), Chip and Pin, and NFC reader.

### Multi-Use & Functionality

Connect and use a wide range of 3rd party peripherals to create the right experience for your customers. With both a serial and USB port available, you can connect a wide range of third-party peripherals today or custom design based on your unique needs.

### Increased Power

Eliminate downtime and improve operational efficiency by providing power to both iPad and USB supported 3rd Party peripherals. Power over Ethernet (POE) is available.

### Safe, Secure, and Certified

Do more with a device you can trust. The Omni One Scan & Payment comes UL, FCC, CE, RoHS, RCM, EMV Level 1, EMV Level 2, PCI PTS 3x SRED, Apple® MFi

# Omni One Scan & Payment

for iPad Air 2, iPad Pro 9.7, and iPad 5th Generation
